Hyattstown, Maryland 20734

August 23, 1966

Dear Mr. Wicker:

Still looking forward to briefing you. I have had more reports from the woman in New York of improper interest but no confirmation. The one action she says has been rescinded without written record.

The situation has been developing rapidly and I continue to be apprehensive about the prospects of its being misguided and evolving irresponsibly.

Sincerely,

Harold Weisberg
